Subject: Death of Alain Leduc, Director of the First Responders Service

Dear Sir, Madam,

It is with great sadness that we announce the death of our first responder director, Mr. Alain Leduc, who died tragically last Saturday.

Mr. Leduc was a caring and empathetic man filled with compassion and generosity, who was devoted to the well-being of his entire community. In February 2010, Mr. Leduc was promoted to Director of First Responders in Arundel. During all these years, he has passed on to his team all his passion and experience to provide a professional medical care service, in case of medical emergencies, to the entire populations of Arundel, Barkmere, Montcalm and Huberdeau. As a direct result of their commitment, our first responders help reduce deaths and negative after-effects among the victims of serious accidents. Through his hard work, the Arundel First Responders Service is now recognized throughout the Laurentian region for its excellence.

We also want to highlight his commitment as a firefighter in recent years. Mr. Leduc was passionate about making his community a safe place to live.

Thank you Alain for leaving the comfort of your home at any time of the day or night to ensure our safety. We miss you already.

All our thoughts are turned to the family, friends and relatives of Alain Leduc, to whom, on behalf of the Municipality of Arundel, its municipal council and its employees, we send our most sincere condolences. There are no words to express how much the whole municipality is afflicted by this hard loss.

For those wishing to attend, there will be a viewing for Alain Leduc on Saturday, April 28th, 2018, from 9 am to noon and from 2 pm to 5 pm at the Guay Funeral Home, located at 974 Vanchesteing Street, Mont-Tremblant, J8E 3H7.
